## From the Principal's Desk

Dear Readers,

It is a matter of great pleasure that the Primary Department is bringing out CMP Newsletter for the session 2019-20. The newsletter is a mirror/reflection of the activities that have been organized with utmost devotion and team spirit. We, in KVS, are guided by the principal that every child is an invaluable human resource whose growth and development is a determinant of the peace and progress of the country. I am delighted to see that the teachers are taking very good care of every child using their 21st century teaching skills. My heartfelt gratitude to all teachers for this excellent work and my best wishes to them for their many more similar ventures in future as well.

## From the Vice Principal's Desk

“Vision without action is just a dream. Action without vision just passes time. But vision and action can change the world.” It gives me great pleasure to know that KV Pitampura is bringing out a E-News letter, for the academic year 2019-20. I am sure this will showcase the impressive and outstanding achievements and activities in all spheres for the year. Aristotle has rightly said, “Educating the mind without educating the heart is no education at all”. KVS is deeply committed to the holistic development of the personality of the students, taking care of their mind and body and molding them into strong, responsible and reliable citizens of the nation. I convey my best wishes to the staff members & students and also appreciate their efforts in bringing out the CMP Newsletter
